

# TF MULESKINNER SAFETY ALERT

59<sup>th</sup> QM - RPG attack on MAXXPRO

AFGHANISTAN 12-05

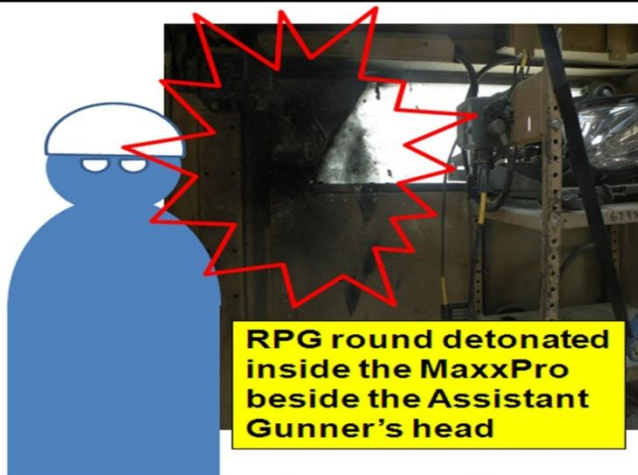

Armor-piercing RPG round penetrates MaxxPro armor

Entry point of RPG round inside the vehicle

External entry point

Assistant Gunner seated behind driver was wearing all his gear, including eye pro, IOTV, and ACH. He suffered facial injuries, but his eyes were not damaged. Wearing his Army-issued gear saved his sight.

RPG round detonated inside the MaxxPro beside the Assistant Gunner's head
